

Our Purpose:

We are dedicated to **Reaching** non-believing students, **Connecting** them with positive friends, and helping them **Grow** in their faith. Every student is encouraged to be an active **Servant** with our weekly ministries and **Honor** God daily with their life.

REVOLUTION
SERVE

Highlight

Thanks to everyone who served at the Oregon Food Bank on the 6th! Our students and youth leaders made some great memories as they all worked hard to help the poor in our community by packing and sorting literally thousands of potatoes in just 2 hours. Job well done!

Parents!

We will have several opportunities for Revolution to serve in our church and community this year! These serving opportunities are open for parents as well, so I want to encourage you and your student(s) to not only join us in making a difference through serving, but also to share these moments together that will last a lifetime.

If you'd like to hear more about these and other opportunities, please join us for a Middle School parents meeting on **Sunday, February 21**, directly after second service **from 12:30pm-1:30pm in the Hospitality Center**. A light lunch will be served.

RSVP to Carissa Bonham at cbonham@pcctoday.com
